

A word cloud featuring the word "notify" in various colors (blue, green, red, orange, purple, pink, yellow, brown, grey) and orientations (horizontal, vertical, diagonal). The words are scattered across the page, with some appearing larger than others, creating a dynamic and colorful visual effect. The background is white.

A word cloud featuring the word "notify" in various cases (all caps, title case, and lowercase) and colors (red, green, blue, purple, orange, pink, brown, grey). The words are scattered across the image, with some appearing larger than others, suggesting a frequency or weight. The colors are vibrant and varied, creating a visually busy and colorful composition. The words are arranged in a way that they overlap and intermingle, with some appearing more prominently than others.
